

You're Invited:

2024 Valleybrook Men's Member-Guest

On behalf of Valleybrook Golf & Country Club, we cordially invite our members to participate in the **Inaugural McKenna Match Weekend**, scheduled for June 21-23, 2024. Golfers in the 54-team field will compete to determine our top player and guest at Valleybrook. Registration is now open!

A Rebirth

The McKenna Match will become our Men's Member-Guest flagship event. While we hold on to the deep-rooted history of Valleybrook and the course's past of highly acclaimed players, we are starting a new chapter. This year's tournament will serve as a symbol of the rebirth of golf, community, and fellowship for Valleybrook Club, our neighbors, and guests.

Change is coming. Past participants will likely notice changes made to the sign-up, format, and schedule. We feel these changes will provide an enhanced experience. The schedule of events and format will be released the week of April 29. The cost is \$500/2-person team.

Register with Kevin or in the Golf Shop. Confirmation by Kevin or Cary is required. Handicaps will be reviewed and verified by the Golf Staff and our Member-Guest Tournament Committee.

Kevin Ashley, PGA, Head Golf Professional | kevin@valleybrookclub.com

Honoring David "Daisy" McKenna

For decades, the McKenna name was known to just about any golfer in the Scenic City. Before passing to cancer at the young age of 62, David made invaluable contributions throughout his years playing at Valleybrook, leading junior golfers, and improving the golf experience throughout Chattanooga.
